The COLLECTION

by Diamond Tech Tiles

Put Diamond Tech tile samples into the hands of your customers!

The COLLECTION is a sophisticated tile display designed to entice customers to browse, select and purchase tile from Diamond Tech's extensive selection of glass, stone and metal tiles.

1 Floor-stand Display
(holds 120 cards)
32" W X 22" D x 76" H

2 Vertical Wall Display
32" W X 8" D x 70" H

3 Horizontal Wall Display
78" W X 8" D x 25" H

The COLLECTION is a versatile tile display which can be configured to fit any showroom. Use the display as a free-standing unit or mount it vertically or horizontally as a wall display.

Each display contains 120 product cards containing an ample sampling of glass, stone and metal along with product information. Cards can easily be removed or returned to the display hanger by simply raising the card to remove or slipping card back onto the hanger and pulling down, to lock it securely in place. Easy access to product allows customers to browse and select tile at their leisure.

No showroom can be without The COLLECTION, available only from Diamond Tech Tiles.
