DTGT Website Easy Access to Navigate

Diamond Tech Glass Tiles is proud announces its new website at www.dtglasstiles.com

www.dtglasstiles.com makes viewing and evaluating glass tiles simple. It provides the consumer important product and company information; easy to read product descriptions, Q&A and instant online ordering of product brochures and manuals.

“Our new website is a great way for us to make our new glass tiles readily visible and available to busy tile customers,” states Rita LeVine, DTI Marketing Director.

Visit www.dtglasstiles.com to learn more about our current lines of uniquely different glass tiles.

About Diamond Tech Glass Tiles

Diamond Tech Glass Tiles is a new subsidiary of The Daniels Corporation, a family owned and operated American based company. Founded over 25 years ago, The Daniels Corporation's primary objective is to provide innovative art glass products, tools and accessories to the tile, architectural, stained glass and consumer market. The company, Diamond Tech Glass Tiles was created to manufacture unique art glass tiles. As with all Daniels Corp Companies, Diamond Tech Glass Tiles is dedicated to providing their clients with the best products for the greatest value. They offer several lines of glass tiles, each with a distinctive look and feel to maximize their clients design possibilities. To learn more, visit www.dtglasstiles.com
