Economical Mosaics, Sure To Change Industry Standards

Tampa, Florida – March 6, 2007 - Diamond Tech Glass Tile launches its **Mosaic Series** glass tiles. *“Now anyone can have the look of glass mosaics, without the expensive price tag.”* states Thomas Montano, DTGT Sales Manager.

Available in 24 colors, DTGT **Mosaic Series** glass tiles are transparent and semi-opaque, rich in color and texture. $\frac{3}{4}$ " X $\frac{3}{4}$ " tiles have a smooth front and textured back for a better adhesive grip. Their miter beveled edges provide for perfect angled corners. *“Our Mosaic Glass tiles are strong, waterproof and are easy to apply,”* adds Mr. Montano.

Mosaic Series will enliven any installation at half the price of products currently on the market. The **Mosaic Series** glass tiles can be used as clever accents or in a multitude of areas such as halls, bathrooms, kitchens, pools or large areas in hotels, banks and shopping centers. *“DTGT want everyone to be able to afford the beauty and luxury of glass tile,”* states Mr. Montano.

About Diamond Tech Glass Tiles

Diamond Tech Glass Tiles is a new subsidiary of The Daniels Corporation, a family owned and operated American based company. Founded over 25 years ago, The Daniels Corporation's primary objective is to provide innovative art glass products, tools and accessories to the tile, architectural, stained glass and consumer market. The company, Diamond Tech Glass Tiles was created to manufacture unique art glass tiles. As with all Daniels Corp Companies, Diamond Tech Glass Tiles is dedicated to providing their clients with the best products for the greatest value. They offer several lines of glass tiles, each with a distinctive look and feel to maximize their clients design possibilities. To learn more, visit www.dtglasstiles.com
