A Well-informed Consumer is a Happy Consumer

Our job is to create a well-informed consumer, which is why Diamond Tech offers a FREE full-color brochure featuring the **DL5000 and DL7000** band saws. This tri-fold brochure provides pages of customer testimonials, cutting illustrations, product comparison charts and a set of handy saw buying tips.

“Our brochure satisfies the consumer thirst for product knowledge by providing illustrations of intricate cuts made using the **DL5000 and DL7000**, easy to read comparison charts of both saws and essential saw specifications.” states Rita LeVine, Marketing Director for Diamond Tech.

“But that’s not all; this new brochure offers 10 essential saw buying tips which guide the consumer through the process of evaluating their needs and the multitude of saws on the market today. It helps them find the perfect saw to meet their cutting needs.” adds Ms. LeVine

“Furthermore, should the consumer have further questions regarding either of our saws, Diamond Tech provides toll-free technical assistance and an informative website with a convenient ordering system. “

Call 800-937-9593 to order your brochure today or download it now at www.DiamondSaws.com.
