SWIMMING POOL, SPA AND OUTDOOR LIVING COLLECTION

FOR IMMEDIATE RELEASE – Tampa, FL — August 5, 2013 – DIAMOND TECH TILES expands into the pool, spa and outdoor living industry with the introduction of a comprehensive tile program called the POOL, SPA AND OUTDOOR LIVING COLLECTION.

DIAMOND TECH TILES, a premier manufacturer and distributor of glass, stone and metal tile products, unveiled four series that can be incorporated into an array of pool, spa and outdoor living applications.

“As the development of this new category was taking shape, we kept at the forefront our desire to create collection that provided consumers with a diverse and comprehensive range of product to elevate their outdoor living space,” explained Rita LeVine, Marketing Director, DIAMOND TECH TILES.

The collection is a grouping of DIAMOND TECH TILES most popular mosaic glass tile suitable for spa and pool environments. This collection consists of our Mosaic, Platinum, Dimensions and Vista Series. Each of these four series is individual and unique, incorporating many of the characteristics inherent in glass tiles.

About Diamond Tech Tiles

Diamond Tech Tile is a subsidiary of The Daniels Corporation, a customer-friendly American based company. Founded over 25 years ago, the Daniels Corporation's primary objective is to promote the use of art glass and mosaics by providing innovative products.

Since 2001 our passion for glass and mosaics has spilled over into the architecture and interior design arenas. Inspired by the belief that the beauty of glass and mosaics should be an affordable luxury for all, Diamond Tech Tiles thrives.

Today our products are used in both exterior and interior design applications, including kitchen backsplashes, bathrooms, fireplace surrounds, and feature walls. Our products are also ideal for pools, fountains and spas. Diamond Tech Tiles is dedicated to providing our customers with the best products for the greatest value. We offer several lines of tiles, each with a distinctive look and feel to maximize design possibilities.
