

# METAL SERIES™

## Application

	Residential	Light Commercial	Commercial
Walls/Backsplashes	X	X	X

All tiles may be used as field tile or as decorative inserts. Follow the recommendation of the TCA (Tile Council of America) Handbook. Please reference the specifications that apply to your project. Metal Series is not recommended for shower stalls and surrounds. Nor is it for use in outdoor applications, high moisture areas or bathroom and kitchen floors where puddling may occur.
