

# OPUS SERIES

## Application

	Residential	Light Commercial	Commercial
Walls/Backsplashes	X	X	X

All tiles may be used as field tile or as decorative inserts. Follow the recommendation of the TCNA (Tile Council of North America) or the MIA (Marble Institute of America). Please reference the specifications that apply to your project. Opus containing metal is not recommended in shower stalls or surrounds. Nor is it for use in outdoor applications, high moisture areas or bathroom and kitchen floors where water puddling may occur.
