NOTE: The Structures Series is a combination of glass and natural stone. Variations in color, shade and sizes are inherent in all fired glass products. Stone is a natural product therefore, no two pieces are exactly alike. This variation is what gives natural stone products their distinctive appearance. Final selection should be made from actual tiles and not from color reproductions.

Powerful · Nouvelle · Desirable
Structures Series

Structures Series

The power of solidity, the energy of integration, the beauty of simplicity; this is Structures. Stone and glass mosaic tile highlighting the contrast between materials, while imposing their expanding presence in the space. Whether used as a field tile or border, their interconnecting designs create unique patterns each time.

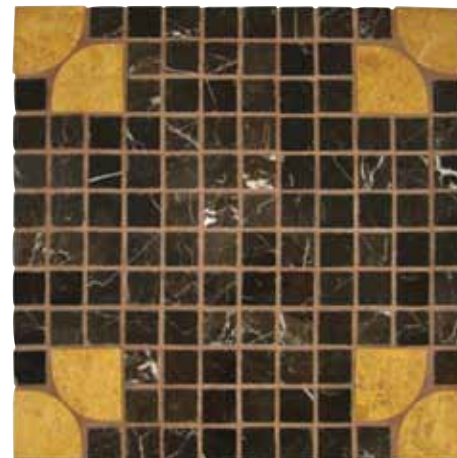

Series I Warm robust marble combinations and repeating design elements for a naturally refined appearance.

Series II An audacious combination of rich earthy marble and dimensional glass tile for a bold brazen new look!

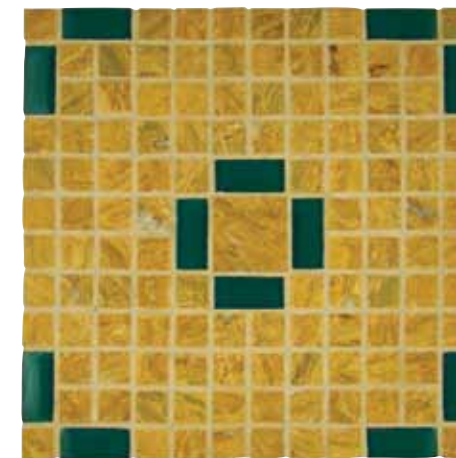

T970 Raffia

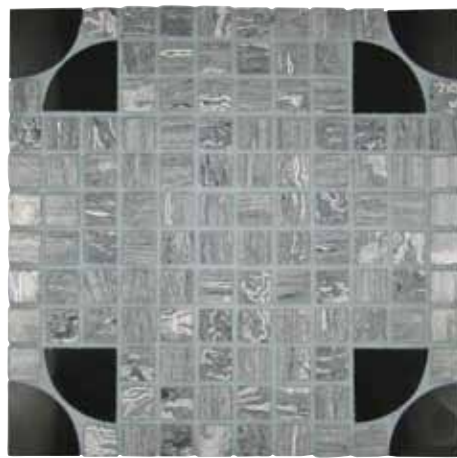

T972 Almond Brittle

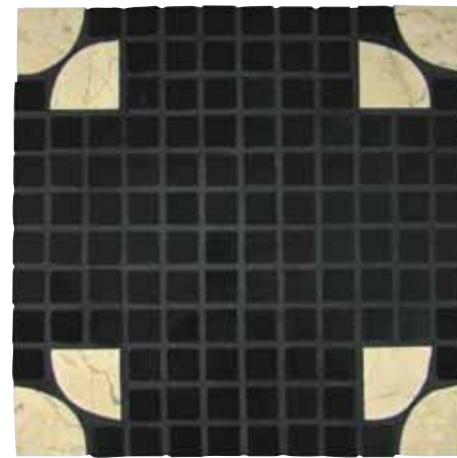

T960 Pop Art
